ABOUT

SITE Residency is a two-month creative residency hosted at **The J in Noosa Junction**, offering dedicated space and time for artists to deepen, disrupt, and evolve their practice. Open to artists across all disciplines, Site Residency invites you into a responsive container for experimentation, ambitious practices, and the unexpected unfolding of ideas.

This is a residency where your practice takes the lead – whether you're digging into something long dormant, refining a current body of work, or venturing into unfamiliar territory. Like the idea of a site – a place to return to, to build from, to listen to – this residency is your grounded space for transformation.
