

This form can be used when a property owner is seeking to upgrade their general waste bin size (currently 240 litre capacity) to a 360 litre bin when they become available in September 2017. **Please refer to Further Information over the page.**

Please nominate your request below with an X.

- Please exchange my 240 litre general waste bin with a 360 litre general waste bin when the bins are available in September 2017.
- Please exchange my 240 litre yellow lidded recycling bin with a 360 litre recycling waste bin when the bins are available in September 2017.

Note: Only the owner or their certified agent can make this application as additional charges will be incurred on the owner's rate notice.

1. Applicant (property owner) details

Surname		Given names	
Address of property	No	Street	
Suburb		State	Postcode
Home Phone Number		Mobile	
Email address			

2. Details of Current Service

Please comment below if your service is different to the standard service of weekly waste collection and fortnightly recycling and garden waste collection.

9. Declaration of applicant (owner)

I/We, the applicant declare that the above information is correct in all respects, at the time of lodgement of this application with the Noosa Council. Should any of the details given in relation to this application be changed in the future, the applicant shall advise the Council in writing prior to any such change being implemented.

By signing this declaration, I consent to Council contacting the garden contractor as stated above.

Privacy

Council will use any personal information provided for the intended purpose only and for remaining in contact with you. Council is authorised to collect this information in accordance with the *Local Government Act 2009*. Your personal information is only accessed by persons authorised to do so. Your information will not be given to any other person or agency unless you have given us permission or we are required by law.

Further Information.

In September 2017 the Council will be entering a new Waste Management Contract that will allow owners to upgrade the size of their current 240 litre waste and recycling bins for an additional charge.

From September 2017, 360 litre red lidded general waste bins will be available and 360 litre yellow lidded bins for recycling.

This larger bins provide a 50% increase in capacity over the smaller bins and are an ideal option for residents who have more general waste or recyclable material than can fit into the 240 litre bin.

360 litre general waste bins are serviced weekly similar to the current 240 litre service.
360 litre recycling bins and garden waste bins are serviced fortnightly.

Annual Charges in 2017/18

Waste Bin (litres)	Recycling Bin (litres)	Garden Waste (Litres)	Charge
240	240		\$265
240	240	240	\$315
240	240	360	\$330
240	360	240	\$330
240	360	360	\$345
360	240	240	\$395
360	240	360	\$410
360	360	240	\$410
360	360	360	\$425

Note: The application for larger 360 litre Garden waste recycling bin is available as a separate application form.
