Noosa North Shore Beach Campground – 2019 Upgrade Works

Project Summary

Noosa Council owns and operates (via an on-site manager) the Noosa North Shore Beach Campground. Council identified the facility needs upgrades and environmental works to provide an improved visitor experience and better manage environmental impacts.

- Upgrades to beach access points
- New landscaping and defined camp sites

Preliminary Layout

See the adjoining proposed development layout plan.

Update – Key dates for advance bookings

The planned commencement date for the upgrade and environmental works has been delayed.

The campground still has some availability for:

- **Early December 2018**
- **January 2019 school holidays**
- **April/Easter 2019 school holidays.**
- **And everything in between.**

The forward booking system has been closed to arrivals as at the Monday of 29th April 2019.

Bookings can now be made via <http://www.noosaholidayparks.com.au/noosa-north-shore>

Council's Development Approval for upgrades to the Holiday Park and the project includes:

- Upgrades of existing amenities
- Provision of new camp kitchen & amenities
- Upgrades to effluent & wastewater systems
- Rectify dunal encroachments beyond property boundaries
- Dunal Rehabilitation
