

Council Cabs is an affordable transport service for:

- people aged 60 and over
- people with a disability, including people with a mobility impairment (DSP concession card holders)
- carers and minors of eligible people accompanying them (carers card or companion card holders).

Door-to-door service

If you are eligible for the service, Council Cabs will collect you from your home in the morning (from 8.30am, depending on passenger numbers) and drive you to your local shopping centre. If you book a return trip you will be collected at around 11.30am. You will be picked up at the same location you were dropped off, and returned to your home address.

The service operates one day a week in selected areas. Please refer to the schedule below for service details.
