AGM’s Committees Difficult People Meetings Volunteers
Who Are Your Volunteers

- Some one who freely chooses to give their time, skills and experience
  - They expect to get:
    - Fun
    - New skills
    - Help others
    - Share their talents
    - Fight boredom
    - Make new friends
    - Build self confidence
    - Benefit their families

Trends In Your Club

| Busy lifestyles, changing family structures & changing work patterns affect club | Shorter volunteer commitments, job sharing & flexible hours are more appealing. Set start and end dates. |
| Sense of community has diminished as has the concept of giving back. People don’t volunteer for the sake of volunteering | Find creative ways to recruit volunteers. Promote your club as a fantastic product. Consider rewarding volunteers. |
| Baby Boomers are approaching retirement and will be looking for ways to put back into the community. | Baby Boomers have great skills to offer as retired professionals. Make volunteer jobs interesting to them and useful to club. |
| Steady decrease in number of young people volunteering. Don’t understand benefits or considered too young to help. | Look at strengths of young people. Identify special positions. Promote benefits of participation on their resumes. |
Remember Your Own Experience

- What was your first volunteer job
- What information were you given
- What knowledge did you have
- What was your impression of that club
- Did it improve or worsen over time
- Are things still exactly the same

The Fear Barrier

- Remember some adults may not have experience with the rules of the game or the skills to complete the task you are asking them to perform.
- Reassure them with the offer of training and support
- Don’t forget to consider the “name” or perception your club has in the community
Recruitment

- Face To Face
  - Spend time identifying real prospects for volunteering
  - Divide them into “long term” and “project based” and market accordingly
  - Don’t take an initial negative at face value
  - Always be positive
  - Work as a team, provide back up

Succession & Recruitment Planning

1. Identify a Short List of People Who Currently Volunteer or Who Are Interested in Committee Service
2. Decide On 4 Candidates For Each Available Position
3. Allocate a current “Recruiter” for Each
4. Role Play / Prepare Your Arguments
5. Make the Initial Approach
6. Follow Up With Another “Recruiter” if Necessary
7. Fill Out The Nomination Form
How Not To Recruit

- Warm body principle doesn’t work
  - Don’t take the first person who volunteers no matter who they are
  - Don’t leave recruitment until the last minute
  - Don’t lie about their involvement or your club
  - Don’t forget to provide a phone number for volunteers to contact you
  - Don’t be negative or hesitant when recruiting new volunteers
  - Do remember the good times you’ve had and new things you’ve learned as a volunteer

Succession & Recruitment Planning

1. Identify a Short List of People Who Currently Volunteer or Who Are Interested in Committee Service
2. Decide On 4 Candidates For Each Available Position
3. Allocate a current “Recruiter” for Each
4. Role Play / Prepare Your Arguments
5. Make the Initial Approach
6. Follow Up With Another “Recruiter” if Necessary
7. Fill Out The Nomination Form
Retention

• Always perform inductions, no matter how small the role
• Give volunteers a mechanism to talk to each other (regular meetings)
• Make sure the committee knows who is volunteering & congratulates them
• Ask for their feedback and be seen to respond to their suggestions
• Be careful about any crossover of volunteers and paid staff
• Make sure each volunteer has some enjoyable aspects of their role (not all bad stuff)

Membership Applications

• Must have for any club
• Provides a mine of information
  – Name

Why You Lose Committee?

Having A Negative Experience
Unsure of Their Role
Weren’t Committed In The First Place
No Recognition
  • Regularly congratulate all volunteers in several different ways
  • Don’t wait until the end of the season for thanks
  • Remember to constantly thank the long serving volunteers (probably yourselves)
  • Consider a system to monitor their length of service
