

Notice of Injury, Loss or Damage

Only complete this form if you are the person claiming personal injury or you are the owner of the motor vehicle or property.

Please note that this Notice has been provided for the claimants' information only, and does not form part of the claim.

Making a claim

If you wish to make a claim, there are two options:

1. Make a claim against your own insurance policy – for a Property or Motor Vehicle Claim

Your insurer may consider seeking compensation against Noosa Council. Please note that this option may result in an initial upfront payment to your insurer for the applicable excess. In general, insurance companies will pursue us for reimbursement where they consider us to be liable. In such cases, the excess amount may be waived. You should discuss this with your insurer prior to lodging a claim with us.

2. Make a claim directly to Noosa Council – for Personal Injury, Property or a Motor Vehicle Claim

If you are seeking compensation directly from Noosa Council for injury, loss or damage arising from an incident, please complete the Claim Form and provide supporting documentation and images as required. We will investigate the circumstances surrounding the incident to determine Council's legal liability for the claim.

Completion of an Claim Form is not a substitute for a:

- 'Notice of a claim' as required under the *Personal Injuries Proceedings Act 2002 (QLD)*; or,
- 'Claim' or 'Statement of Claim' as required under the *Uniform Civil Procedures Rules 1999 (QLD)*.

Noosa Council will not accept liability for any claim where Council has not breached its duty of care and is not legally liable in the matter. For Council to be held legally liable it must be proven that Council has failed to take reasonable steps to mitigate against foreseeable risks in accordance with section 9 of the *Civil Liability Act 2003 (QLD)*. It is the responsibility of the claimant to provide evidence substantiating the claim.

Assessing a claim

Council is required to follow due process when assessing any claim for compensation to ensure all claimants are treated equitably. Timeframes can vary due to factors outside of Council's control, including delays in obtaining information and the complexity of the claim. Acceptance of a completed Claim form is not an automatic acceptance of liability.

Your claim will be assessed in accordance with legislative requirements including, but not limited to:

- *Civil Liability Act 2003*
- *Transport Operations (Road Use Management) Act 1995*
- *Transport Infrastructure Act 1994*
- Noosa Shire Council Local laws

- Council's policies and procedures
- Insurance policies and procedures

Where your claim is related to a Council contractor, you will be advised to contact the contractor directly.
