

## Climate Change Response Community Reference Group

### Expression of Interest

The purpose of the Climate Change Response Community Advisory Group (CRG) is to provide advice to council on climate change issues, on-ground action, barriers and successes, monitoring and evaluation, and ongoing program development. This group will also provide input into the development of the detailed implementation plan which will provide the basis for budget and resource allocation. Membership of the CRG will ideally provide a broad representation of the community in terms of sector interests, age groups, gender, and geographical area of Noosa Shire
