

NOOSA SHIRE COUNCIL BUSINESS SUPPORT PACKAGE

ADDITIONAL TRAINING AND INFORMATION SESSIONS FOR RAPID ANTIGEN TESTING (RAT) IMPLEMENTATION

- For businesses implementing rapid antigen testing, Respond Global can also offer the following additional services:
 - Training, conducted either in the workplace or virtually online, to educate staff and supervisors in how to implement and use RATs. The 1-hour sessions are delivered by qualified clinicians, are tailored to an individual business, and include a demonstration of an actual testing procedure. A Q & A session follows.
 - COSTS : onsite \$1800 / online \$1250
 - Subscription to a microlearning app, downloaded to staff members' mobiles, that provides on-demand guidance in how to conduct a RAT.
 - COSTS: \$2 per user per month (min. 3 month subscription)
 - In the event of a COVID-19 outbreak in the workplace, Respond Global can deploy an on- or off-site Rapid Response Team to provide support and clinical expertise.

Respond Global is working with Noosa Shire Council to deliver a rapid antigen testing implementation support package to the businesses of Noosa.

Services include the implementation of rapid antigen testing, training of staff and supervisors, and the provision of outbreak response support in the event of a COVID-19 outbreak in a workplace.

We are infection prevention and control experts.

Businesses who would like to find out more should contact Respond Global direct at info@respondglobal.com or call 07 5343 1940.
