SPORTING CLUB DETAILS.

Each year Noosa Council Community Development team host 'Come & Try' days for sports that are available in the Noosa Shire. One for Winter Sports, held mid February and the Summer sports held mid August. Due to the Covid-19 pandemic we have had to use other methods to share what's available. Please find attached information from the clubs that would have been on site on the day. They can be contacted directly and will be happy to assist you in experiencing their sport.

FairPlay vouchers.

An initiative under the Queensland Government's Activate! Queensland 2019–2029 strategy to support regular participation in physical activity, by reducing the cost for children and young people from low-income families. Parents, carers, or guardians can apply for a voucher valued up to \$150 for their child, which can be used towards sport and active recreation membership, registration or participation fees with registered activity providers. For more details visit [FairPlay Vouchers info](#)

NOOSA TENNIS ACADEMY

WILSON PEE-WEE (AGE 4-7) 30 MINUTE LESSON

Designed for the little ones just starting out. Soft balls, short nets and small racquets bring the game down to their level allowing easier success and enjoyment. Pee Wee classes have no more than 4 kids per coach. The cost is \$125.00 per term.

JUNIOR ROOKIE (AGE 7-9) 1 HOUR LESSON

After achieving the concept of control and the basic understanding of the different strokes in the Pee-Wee program, the children use the large net using green dot balls and playing from 3/4 court. In this program the emphasis is now on the children's technique which will stay with them no matter how far they take their tennis. The introduction of match play, scoring and tennis etiquette is also achieved in this program. The cost is \$170.00 per term.

2ND CLASS 25% OFF

FREE END OF TERM TOURNAMENT

FREE JNR MEMBERSHIP & FAMILY FUN TIME MEMBERSHIP

FREE TENNIS AUSTRALIA MEMBERSHIP

JUNIOR PRO (9 -16) MATCH PLAY - 60 MINUTE LESSON

In this stage of the program we concentrate on developing and fine tuning the skills learnt from the Junior Rookie program. From here, there is more emphasis on serving, as the children are developing their match play skills. The nice thing about this program is that older teenagers, playing tennis for the fun of the game can take these skills throughout their life as a social game. The cost is \$170 per term.

ELITE & FIXTURES SQUAD TRAINING (TOURNAMENT & FIXTURES PLAYERS) 2 HOUR LESSONS

Complete training for the competitive/fixtures/tournament players. Fitness, court strategies, equipment and mental consideration are all considered in this program. Here the students are training to become reliable and effective with their game under the pressures of match play. It is here where they prepare the students to play fixtures, tournaments and senior fixtures. The cost is \$260.00 per term.
