- Items funded by other Council grants

Categories and Criteria**Quick Response Grants**

The Quick Response Grants is a small grants program that looks to support off projects such as workshops, meet ups and events that engage and benefit the Noosa business community. Application to this category must be received at least 21 days prior to the commencement of the project.

Partnership Grants**A. Projects Partnership Grants**

Project Partnership Grants support innovative one-off projects of merit that have a positive impact on the local business environment and will be completed within 12 months of commencement.

B. Multi Year Partnership Grants

Multi Year Partnership Grants assist stakeholders to deliver longer term programs agreed by Council that extend beyond 12 months. These grants will facilitate not for profit business representative associations taking on additional projects and funding agreements will consider funding both on going operational costs and project specific costs.

Grant applications will be assessed using the following criteria:

- The extent to which the project aligns with and addresses key findings, weaknesses and/or threats, or targets the opportunities identified in the Local Economic Plan
- The extent to which the project can demonstrate community benefit
- The scale of the economic impact likely to be achieved (e.g. creating the conditions for business success, industry or business development, investment attraction)
- The level of innovation, insight or creative thinking that makes the project unique
- The quality of the application (e.g. a well-developed, clear and realistic action plan, supported by research where appropriate and including an accurate financial plan/budget)
- The ability of the organisation and/or stakeholder group to deliver the project
- The potential for the project to create business/industry networks and partnerships that can drive future economic development activities.

In assessing the grants, Council will:

- Ensure public monies are allocated in a fair and equitable way
- Ensure best possible value for money and
- Check each application against the above-mentioned criteria

4. Application

The Economic Development Grants Program opens for application on a nominated date and remain open until the end of the financial in which it opened or until all funds are expended.

After reading these guidelines, organisations intending to apply must speak with a member of Council's economic development unit prior to making an application to ensure their organisation is eligible and that their project is a good fit.
