About the Operational Plan

The Noosa Council Corporate Plan 2017 - 2037 outlines Council's 20-year vision for the Noosa Shire and strategic direction for Council. It identifies long term goals under five key Themes and identifies key focus areas which inform Council's corporate planning and annual budget process.

The Operational Plan 2022/23 outlines initiatives and services that Council will undertake to advance the key focus areas and goals of the Corporate Plan for the financial year in accordance with the adopted budget. The Operational Plan 2022/23 and the annual Budget 2022/23 are complementary documents and are developed in parallel to provide consistency between commitments in Council's work program and the resourcing allocations determined as part of the annual Budget.

Section 104(5) of the Local Government Act 2009 and Section 175 of the Local Government Regulation 2012 set out the requirements and content for an operational plan. The Regulation provides that the operational plan must:

- be consistent with the annual budget
- state how a Council will:
 - progress the implementation of the five-year corporate plan and
 - manage operational risks.

The Operational Plan has been prepared consistent with these requirements.

A review of the Noosa Council Corporate Plan will commence in July 2022 to assess Council's progress in achieving its long-term vision and to determine Council's strategic direction and priorities. The new Corporate Plan will then inform the development of the Operational Plan and Budget in 2023/24.

Theme 1 The Noosa Environment

20 YEAR GOAL Our environment is protected and enhanced and is valued by the community.

Theme 2 The Noosa Community

20 YEAR GOAL Our community is connected, safe and happy and able to meet their potential.

Theme 3 The Noosa Economy

20 YEAR GOAL Our economy is diverse and resilient.

Theme 4 Long term planning for Noosa Shire

20 YEAR GOAL Noosa Shire is well managed and sustainable.

Theme 5 Excellence as a Council

20 YEAR GOAL The Noosa Shire community is proud of its Council.

Corporate Planning Overview

To prioritise and identify various initiatives and services to be funded and delivered on behalf of the Council to the community each year, Council undertakes a robust process to ensure all proposed items align with Council's long-term goals and strategies. The process includes the identification and effective management of operational risks which informs decision making.

Annual Budget

The annual Budget provides the financial framework for the organisation to deliver outcomes for the Noosa community. In accordance with the Local Government Act and Regulation, the annual Budget sets out the funding parameters for both the significant initiatives and projects contained in the Operational Plan, as well as core Council services.

This process ensures every activity undertaken by the organisation is appropriately funded and carefully planned. The annual Budget also assists Council in achieving its long-term financial goals as set out in Council's Financial Sustainability Policy.

Operational Plan

The Operational Plan 2022/23 identifies key initiatives aligned to the focus areas and key strategic goals of the Corporate Plan as well as the services delivered to the community.

Each of our triple bottom line Themes of the Environment, Community, Economy, Long Term Planning and Excellence as a Council, have specific strategies and plans that provide more specific details about how Council aims to achieve its vision.

Annual Branch Plans

Whilst the Operational Plan specifies the significant initiatives and projects which Council will undertake over the next 12 months, 'business as usual' services, activities and smaller projects must also be subject to careful planning and regular reviews to ensure the effective and efficient delivery of council services.

All branches within Council are required to have a current detailed Branch Plan to ensure service and project deliverables are met in accordance with service standards and project plans. Council's Service Catalogue which contains the profiles of 57 council services including service activities and levels of service is regularly reviewed by Council and informs Council's budget deliberations.

Risk Management

Risk management is the identification, assessment and prioritisation of risks. It also includes the steps taken to minimize such risks.

Council has adopted an Enterprise Risk Management Policy Framework that promotes a standard and systematic approach to risk management throughout Council in accordance with AS/NZ ISO 31000:2018.

The Audit and Risk Committee assumes an oversight role in the management of strategic risks and the Strategic Risk Register is reviewed by the Committee and Executive Team on a 4 monthly basis.

At the operational level risk management is undertaken by the Branch and included in Branch Plans.

Corporate Reporting

Integrated development of Annual Budget, Operational Plan and Branch Plans supported by detailed planning and risk management

CEO Annual 'Year in Review' progress report to Council

Four monthly updates on strategic risk management progress reported to Council's Audit & Risk Committee

3 x strategic risk review sessions conducted with Council's Executive Team each year

Annual Report informs the community about Council's performance, achievements and challenges as measured against the Operational Plan and Budget

CEO Quarterly reports provide information to the community and Council on the implementation of the Operational Plan

Monthly Budget reports to Council to compare actual spending with what was budgeted for

3 budget reviews per year

Briefing notes/updates on major projects/emerging issues reported to Executive Team

Strategic Executive Team meeting discussion topics

Quarterly Branch Plan progress reviews and Operational Risk reviews conducted by Managers in consultation with Directors with any highly rated risks escalated to the Executive Team

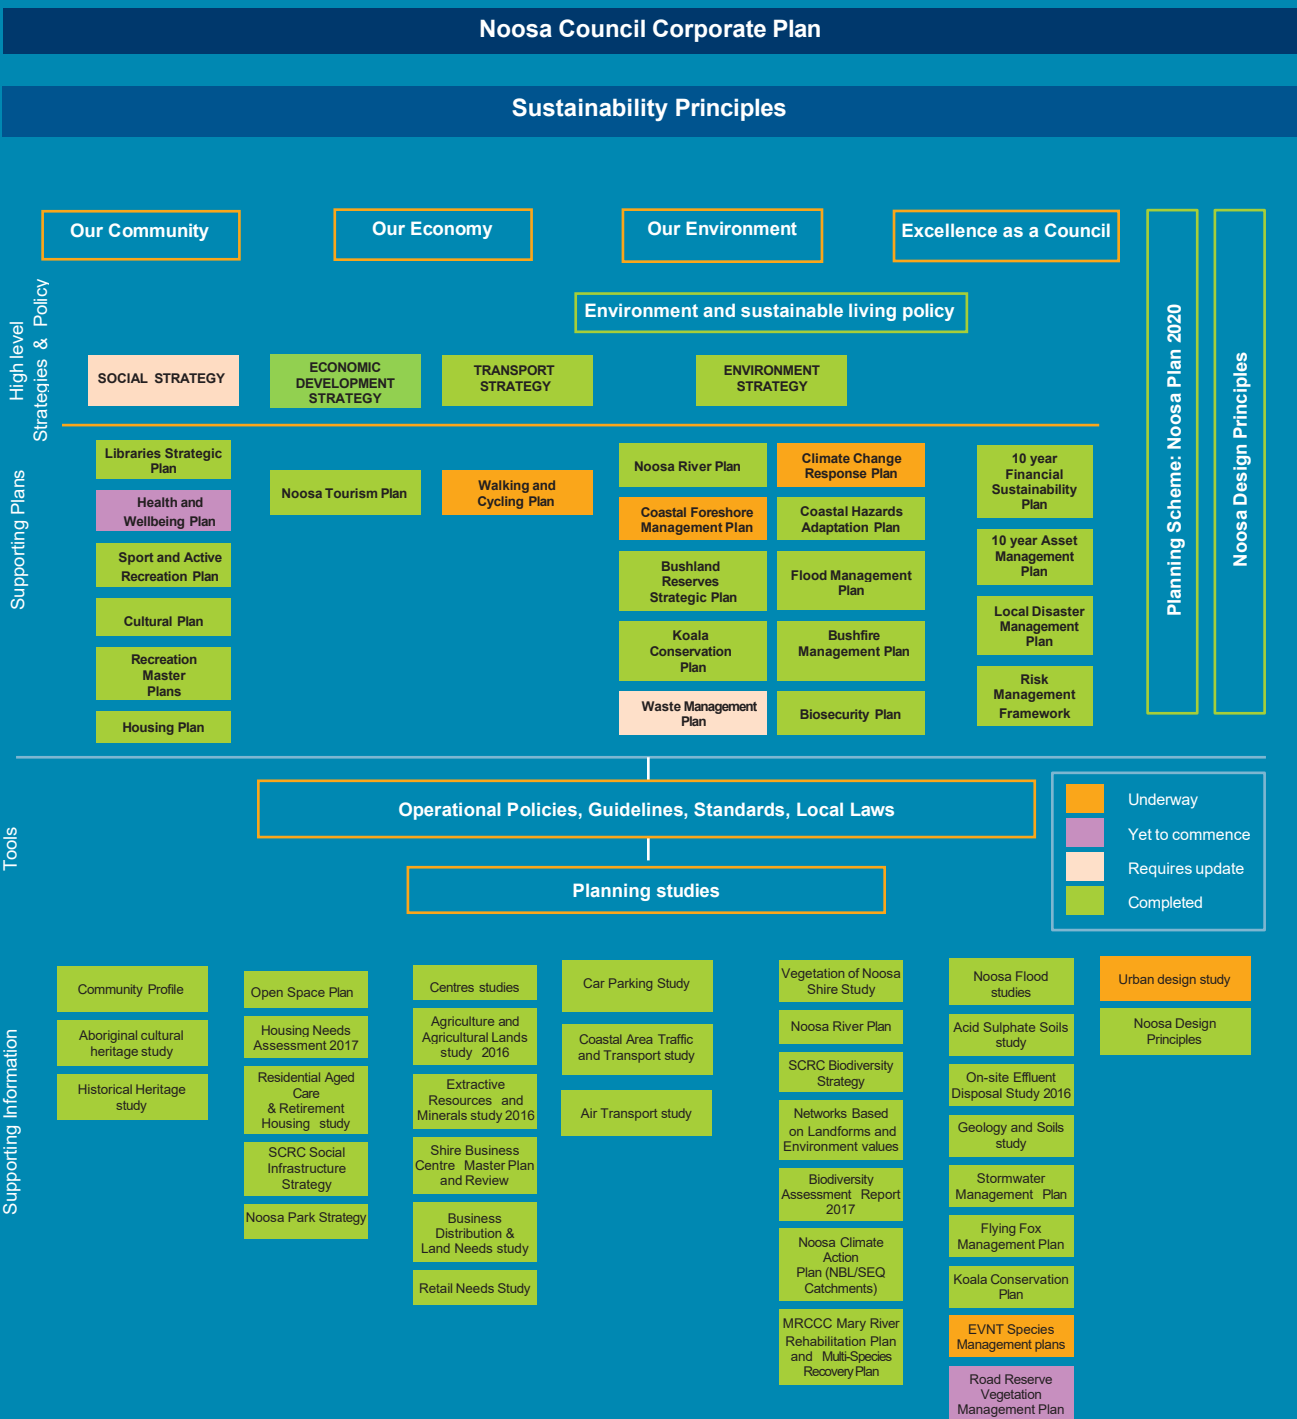

Periodic reports to Council on departmental functions and significant initiatives/projects

Management and Officer performance planning discussions

Informing Strategies and Plans

There are a number of informing strategies and plans that allow Council to set its priorities within its resourcing capability and deliver short term, medium term and long term community priorities and aspirations.

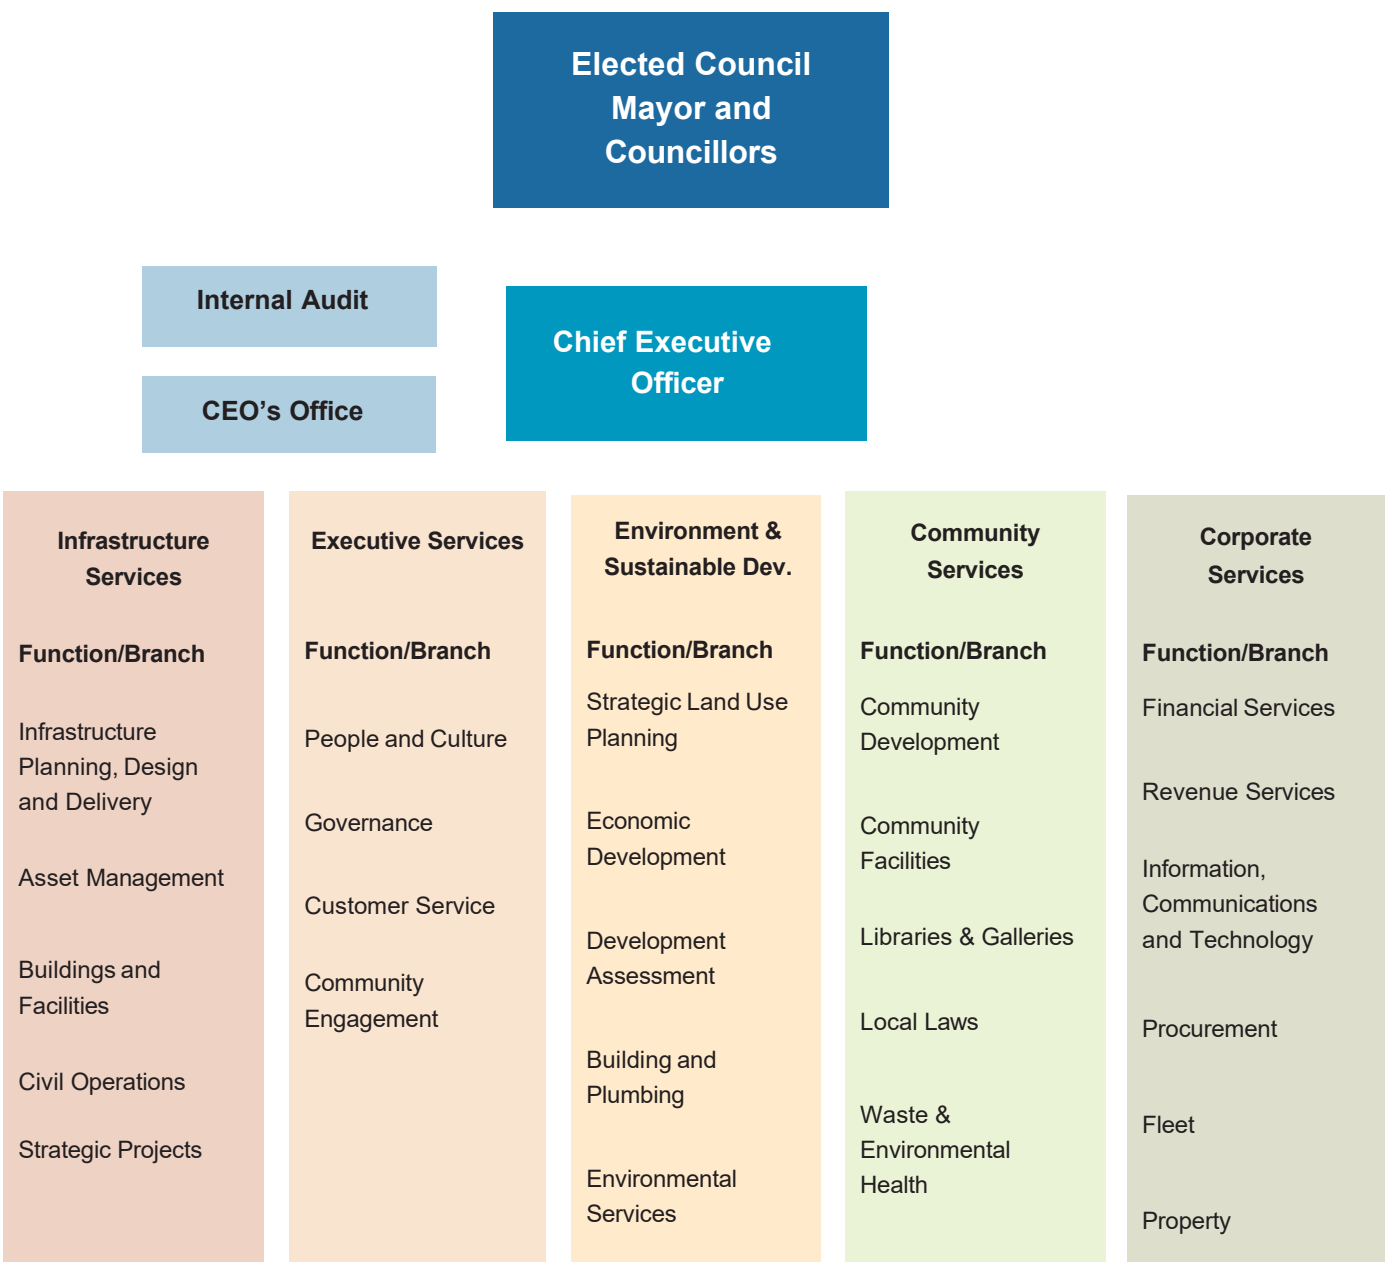

Each of these strategies and plans contain priorities, key initiatives and actions to be undertaken to achieve specific desired outcomes. Key initiatives and actions to be undertaken in the delivery of these strategies and plans are incorporated in the development of the 2022/23 Operational Plan and Budget through the new initiative and budget process and the regular/annual review of actions and progress.

Key Operational Plan Initiatives 2022/23

The key initiatives presented in the Operational Plan 22/23 are aligned to the themes and goals of the Corporate Plan and undertaken alongside an annual capital program and the delivery of core council services.

While a responsible function is listed for each initiative, often there are many areas of council involved in their successful delivery, for example major capital projects involve teams from design, procurement, asset management, governance and workplace health and safety.

Significant Initiatives/Capital Projects

Several significant initiatives have been highlighted in the 22/23 Operational Plan. These initiatives are at varying levels of planning, commencement of construction or final implementation however all form part of Council's priorities in the reporting year and include:

- *Development of the new Noosa Council Corporate Plan*
- *Implementation of major strategies including the Noosa Transport Strategy, the Environment Strategy, and Economic Development Strategy*
- *Implement the Walking and Cycling Strategy*
- *Noosa Hinterland Recreation Trails Upgrade*
- *Implementation of the Coastal Hazards Adaption Plan*
- *Implementation of the Climate Change Response Plan*
- *Development and adoption of Noosa's Waste Management Strategy*
- *Completion and implementation of the Housing Strategy*
- *Development and implementation of a Destination Management Plan*
- *Implementation of the Noosaville, Eumundi Landfill Master Plan*

Council's capital program will increase significantly in 22/23 because of Council attracting more than \$20 M in government grants and external funds to support Council in undertaking job-creating and community projects to stimulate economic development and build community resilience to natural disasters.

The most significant capital projects include:

Bridge Renewal Programme 5.1M (Cooroy Belli Creek Road bridge Renewal 1.8M; Noosa Heads Garth Proud Bridge Renewal 3 M; Black Mountain Lawnville Road Bridge 292K)

Shire Reseal Program 5.3 M

Noosa Heads Parade Corridor Upgrade 4.6 M

Living Firetec Lab Upgrade Disaster Recovery 1.5 M

Federal Middle Creek Road reconstruction 1.3 M

Noosaville Noosa Lock and Weir Annual Renewal program 1.2 M

Tewantin Beckmans Road Bypass Stage 1, 2 M

Noosa Hinterland Trail 5 Upgrade 1.1 M

Noosa Heads Dogbeach SEMP 1 M

NDCS- Stage 1 Mc Kinnon Drive Community Sports Centre 750K

Corporate Plan Theme – The Noosa Environment			Operational Plan 22/23
Corporate Plan Key Focus Areas	Operational Initiatives	Outcomes	Responsible Areas
1.1 Adopt an overarching Environment Strategy	Implement priority activities from the Environment Strategy	Protection of the Shire’s natural environment and achievement of strategic environmental targets	Environmental Services
	Undertake Shire wide Biosecurity Survey	Improved knowledge and management of invasive species in accordance with the Biosecurity Plan	Environmental Services
1.2 Revitalise the Noosa River Plan	Work with the Noosa River Stakeholder Advisory Committee and Marine Safety Queensland to better manage the Noosa River	Management of key threats to the Noosa River System and its Environmental and Social values	Co-chaired by CEO with MSQ/ CEO/ Environmental Services
	Continue to partner with the Nature Conservancy to implement the Oyster Reef Restoration Project in the Noosa River	Oyster beds in the Noosa River are rebuilt to improve habitat for fish and marine life	Environmental Services
1.3 Implement Council’s Zero Emissions Strategy	Implement the annual action plan for the Zero Emissions Organisational Strategy (ZEN)	Reduce Council’s emissions	Environmental Services
	Develop the Emissions Reduction Offset Strategy for Council’s operations.	Achievement of Council’s net zero emissions target 2026	Environmental Services
1.4 Adopt and implement the following plans that form part of our Environment Strategy Biodiversity Plan, Bushfire Management Plan, Coastal Management Plan, Flood Management Plan, Koala Conservation Plan, Waterways and Wetlands Management Plan, Open space Plan, Waste Reduction and Recycling Plan.	Continue to implement the Yurol Ringtail Forestry project	Continue to work with partners of pine and hardwood removal, revegetation and restoration in preparation for ultimately transfers of all this land to National Park	CEO & Environmental Services
	Develop a new Noosa Waste Strategy	Achieve waste minimisation and diversion targets and support net zero emissions target	Waste Services
	Improved Flying Fox Management process	Properly maintained flying fox infrastructure and continue to support the subsidy program for immediately surrounding impacted residential areas	Environmental Services
	Implement the Noosa Bushland Reserve Strategic Management Plan and Fire Management Plan	Clear prioritisation of resources towards bushland management and active involvement of the community in the restoration of degraded bushland areas	Environmental Services
	Modern Water Monitoring Program	Introduction of an overarching and integrated data collection and water monitoring program to improve our understanding of our waterways across the shire	Environmental Services

Corporate Plan Theme – The Noosa Environment			Operational Plan 22/23
Corporate Plan Key Focus Areas	Operational Initiatives	Outcomes	Responsible Areas
1.5 Reinforce our Noosa Design Principles	Streetscape upgrade project implementation	Improved management of Noosa's public areas and built environment to align with the Noosa Design Principles and Noosa Style	Infrastructure Planning, Design & Delivery, Civil Ops (Civil Works & Mtce) (Parks & Gardens)
1.6 Manage development within the Noosa Shire in accordance with Noosa's environmental outcomes	Continue to implement best practice Development Assessment services that deliver the strategic environmental outcomes committed to in the Noosa Plan 2020	Development outcomes aligned with the environmental controls included in the Noosa Plan 2020	Development Assessment
1.7 Plan our response to climate change	Community ZEN emissions project implementation	The Noosa Community is assisted to become zero net emissions by 2026	Environmental Services
	Coastal Hazards Monitoring	Improved understanding of coastal hazards through evidence-based information and technology applications	Strategic Land Use Planning
	Implement Climate Change Response Plan	Responds to Council's climate change emergency declaration and helps Noosa Shire to adapt to and prepare for the potential effects of climate change over time	Strategic Land Use Planning
	Continue the implementation of Council's Fire Management Plans and bushland reserves	Improved management of our bushland reserves about fire and the implementation of a more proactive, specialised burning regime	Environmental Services
	Noosa Heads Main Beach SEMP	Improved management of shoreline erosion in Noosa Main Beach and Noosa River	Asset Management
	Coastal Reserve Management Plan	Complete and initiate implementation of a management Plan for the eastern beaches to manage encroachments, accesses and works in the dunes	Asset Management
	Coastal Reserves Management Plan consultancy study	Improved management of coastal foreshores and preservation and improvement of ecological, scenic, and cultural values	Environmental Services
	Audit of Council's electricity meters and assets	Adequate and appropriate energy metering to ensure efficient costs and to inform zero emissions decision-making	Procurement
	Landfill gas to power feasibility study	Identify feasible options to optimise use of landfill gas extraction	Waste & Environmental Health
	Develop best practice waste management marketing model for waste reduction	Increased community knowledge on waste and recycling initiatives & increase diversion rates across multiple waste streams	Waste & Environmental Health
	Polystyrene processing	Treatment and diversion of polystyrene waste from landfill	Waste & Environmental Health
Household recycling decontamination	Reduced contamination in recycle bins	Waste & Environmental Health	

Corporate Plan Theme – The Noosa Environment			Operational Plan 22/23
Corporate Plan Key Focus Areas	Operational Initiatives	Outcomes	Responsible Areas
	Double grind green waste	Improved product quality	Waste & Environmental Health
	Annual textile drive	Increased recycling and reduction in landfill	Waste & Environmental Health

Delivering Council Services

Services	Service Activities	Responsible Areas
Service-Land & Habitat Conservation	Bushland Reserve Management, Environmental Partnership Programs, Pest Management, Environmental Management Services Land & Habitat Conservation	Environmental Services
Beaches & Coastal Foreshores	Beach Management	Infrastructure Planning, Design & Delivery, Civil Operations (Civil Works & Maintenance), Civil Operations (Parks & Gardens)
Canals & Waterways	Technical Services, Maintenance & Operations	Infrastructure Planning, Design & Delivery, Civil Operations (Civil Works & Maintenance), Waste & Environmental Health, Environmental Services Branch
Stormwater Drainage & Flood Mitigation	Stormwater Drainage Maintenance and Flood Mitigation	Civil Operations, Asset Management
Waste & Resource Management	Waste Management including Collections, Disposal, Recovery & Behaviour Change	Waste Services

Corporate Plan Theme - The Noosa Community			Operational Plan 22/23
Corporate Plan Key Focus Areas	Operational Initiatives	Outcomes	Responsible Areas
2.1 Undertake implementation of the Noosa Social Strategy	Implement priority activities from the Social Strategy	An effective framework to continue to improve community wellbeing and cohesiveness	Community Development
	Support the community with the intensity of usage of the Kin Kin Quarry	Improved community outcomes through Council advocacy	CEO
	Maintain our relationship with the local indigenous community	A positive and effective partnership built on trust and respect	Director Community Services
	Finalise and initiate implementation of Housing Strategy	Understanding of housing challenges is widely understood by the community and a range of initiatives are underway to address current housing shortages	Director Environment & Sustainable Development
2.2 Adopt and implement the following plans that form part of our Noosa Social Strategy - Cultural Plan, Community Health and Wellbeing Plan and the Sport and Active Recreation Plan	Implement priority activities from the Cultural Plan, Community Health and Wellbeing Plan and the Sport and Active Recreation Plan	Delivery of better social outcomes including a cohesive resilient community, an active and healthy community, an accessible diverse and affordable community	Community Development
	Living Well Noosa	Increased community health and wellbeing	Community Development
	Early literacy programs	Delivery of learning programs for children aged 0-5 and their families to improve early literacy outcomes	Libraries & Galleries
	Heritage Noosa Stage 3	Increase preservation and awareness of Noosa's heritage	Libraries & Galleries
	Development of conservation management plans for two additional heritage sites	Preservation of heritage sites	Libraries & Galleries
	Undertake heritage studies	Implementation of recommendations from the Local Heritage Register Review to ensure best practice management and protection of Noosa's heritage sites	Libraries & Galleries
	Develop scope of remediation works for Cooroy Butter Factory brickwork	Implementation of recommendations of the Conservation Management Plan	Libraries & Galleries
2.3 Implement the Libraries Strategic Plan	New Mobile Library and Community Outreach Service is implemented	Accessible and contemporary outreach library services	Libraries
2.4 Continue to support our community to utilise Council controlled land and buildings through formal tenure arrangements	Progress the implementation of the Master Plans for the Noosa District Sports Complex and Cooroy Sports Complex	Strategic direction for the development and implementation of sport and recreation facilities	Community Development
	Noosa Leisure Centre Options Study	Optimization of the use of the facility and community needs are met	Community Facilities

Corporate Plan Theme - The Noosa Community			Operational Plan 22/23
Corporate Plan Key Focus Areas	Operational Initiatives	Outcomes	Responsible Areas
	Wallace House Wood Borer inspection	Preventative maintenance to ensure the structural integrity of the building	Community Development
	Repaint Peregrin Beach Surf Clubhouse	Preventative maintenance to ensure the whole of life structural integrity and amenity of the building	Property Branch
2.5 Plan and build an iconic all abilities playground at Cooroy	All-Abilities Playground completed	Increased interaction and inclusiveness making it easier for kids of all abilities to take part in fun and challenging outdoor play	Infrastructure Planning Design and Delivery Branch
2.6 Explore options for and investigate the feasibility of relocating the Noosa Regional Gallery	Pre-Feasibility Study Noosa Regional Gallery (Stage 2 & 3)	Options and scenarios for a new regional art gallery are analysed to assist Council in deciding whether to proceed to a further stage in this project	Director Community Services
2.7 Plan for Noosa's aging demographic and support our health and aged care sectors	Community Support software upgrade	Improved system with customer privacy controls and requirements met	Noosa Community Support
2.8 Maintain the ability to respond to disaster events (LDMP)	Review of Noosa Local Disaster Management Plan	Increased local area capability for prevention preparedness, response, and recovery in a disaster	Director Infrastructure Services
	Support the community in the ongoing recovery efforts from the 2022 Floods	Increased community health and wellbeing	Director Community Services

Delivering Council Services

Services	Service Activities	Responsible Areas
Aged & Carer Support	Noosa Community Support Service	Community Facilities
Community Development	Community Planning & Support, Community Buildings & Facilities	Community Development, Property
