

Cooroy Library Children's Outdoor Area Upgrade

Project update

To improve the user experience of the Cooroy Library children's outdoor area, Council will shortly begin work on the installation of two shade structures and replacement of the synthetic turf.

This project will provide important relief and protection from the sun and enhance library activities within the space.

Design

Work will include:

- removal and replacement of existing synthetic turf
- installation of two cantilevered shade structures.

Timing

Construction is scheduled to commence Monday 20 February 2023 and will take approximately five weeks to complete, weather permitting.

Community impact

The children's outdoor area of the Cooroy Library will **BE CLOSED** for the duration of the project. Other courtyard spaces are available for use during this period.

Construction signage and safety barriers will be in place where required.

Funding

These works are funded by Council in the 2022/23 capital works program.

Your patience during these works is appreciated.
