

Description of Property Searches for 2023/2024

Please note that all search fees for completed searches are non-refundable

PROPERTY

Property Enquiry \$19.50

(Allow 5 business days)

Owner name and address, Legal Description & Land Area

Standard Property Search \$284.00

WARNING: This search includes RATES SEARCH

The Standard Property Search includes a Rates Search and property development information relating to the premises such as planning scheme details, effluent disposal requirements, building envelopes, special property development requirement notes and general advice on easements, flooding, water, and sewer. This type of search is usually requested by solicitors, conveyancers, designers and building certifiers.

(Allow 10 business days from receipt of application for Property Development Notes portion and 5 business days for Rates portion).

Rates Search

(Allow 5 working days from receipt of application for report).

This time may be “**fast tracked**” to 2 business days by paying an additional fee of **\$39.00**

Rates \$82.50 Fast Track \$121.50

Inspection of computer records only. Information provided includes: -

- Current registered owner and legal description of land
- The amount of half-yearly rates levied and details of payments where applicable
- The Department of Natural Resources rateable and land valuation

Please note: - A Rates Search will only cover the current half yearly rating period (i.e., rating period, 1 July to 31 December or the second half rating period, 1 January to 30 June) as at the application date.

If you require information, either verbal or written, about a future rating period you will need to submit a new search application in that period.

**The only minor delay in turnaround is about 1 week (5 business days) at beginning of each rating period, July and January. This outage is necessary for the rates levies updates to be applied.*
