## Noosaville, Gympie Terrace – boat ramp stormwater upgrade

### Project summary

Council staff will soon commence work to replace a section of the existing storm water box culvert at the boat ramp on Noosa River Foreshore Boat Ramp carpark.

This work needs to proceed as soon as practical to ensure maintenance of the stormwater drainage in this location.

### Duration of work

Work is scheduled to commence on Monday 7<sup>th</sup> May 2024 with completion expected by 25<sup>th</sup> May 2024, subject to weather and construction conditions.

The work will be completed during the day between the hours of 6.30am and 4.30pm.

### Traffic & public disruptions

During this period, the boat ramp will be closed, and a section of the carpark will be an exclusion zone to allow contractors to complete the work safely. Traffic control will be in place to ensure the safety of the public whilst these works are being completed.

Your patience during this project is appreciated.
