6. Information for responsible pet ownership

By lodging this application you understand:

- The permit is specific to the animals described above at the above-mentioned property only.
- Registration fees for additional cats/dogs are due on submission of this application.
- Council may conduct random audits and may revoke a permit if there is non-compliance with the conditions.
- Council's website contains a number of animal related fact sheets and information on responsible pet ownership.

7. Self assessment guide

The guide covers some of the key criteria we may consider when assessing your application. You may like to review the criteria before submitting your application as the fee is non-refundable and it may assist you in identifying if having additional animals is suitable for your circumstances.

Council retains the discretion to consider additional information when making their decision.

- A fully enclosed yard in which your dogs cannot escape under, over or through the fence, with a self-closing gate
- No regulated animals on the property
- No animal related local law breaches, including failure to register cats or dogs in the last two years
- The geography and size of the property should be appropriate for the size and number of animals to be licensed (For example: it may not be appropriate to have more than two 60kg dogs on a 500m² block)
- The existing and additional animals are not impacting on the amenity of the neighbouring properties or the community.
- Animal waste is disposed of and dealt with in accordance with the Environmental Protection Act 1994 and the Water Act 2000
