FOOTPATH TRADING CONDITIONS

The permit holder must:

1. Keep current, throughout the duration of this Footpath Trading Permit (permit), a public liability insurance policy certificate of currency (COC), applying directly to the stipulated Footpath Trading Area (FTA), including the approved associated use, with limits of not less than \$20 million per occurrence, noting Noosa Council (council), as an interested party.
2. Keep a copy of your approved permit and a copy of your \$20 million COC on the premises, to be made available to council officers on demand.
3. Note, in accordance with the approved permit, a minimum 2 metre clearance is required to be maintained for the pedestrian thoroughfare, unless otherwise agreed to by council. Kerbside areas abutting the FTA, must be maintained at all times to a standard as approved by council. A minimum pedestrian thoroughfare area applies and all pedestrians must be given right of way.
4. Note, neither council, nor the Minister Administering the *Land Act 1994*, shall be liable for any disruption to business conducted within a FTA, that may arise as a consequence of works being undertaken within the FTA (including the pedestrian thoroughfare), from time to time.
5. Accept, that from time to time, the FTA may be unavailable or inaccessible, due to acts of force majeure, council approved temporary events or council maintenance activities (programmed or un-programmed). The permit holder will not be compensated by council in any way under such circumstances.
6. Maintain the cleanliness of the FTA and surrounding pedestrian thoroughfare and access way.
7. Not interfere with any vegetation, including acts of affixing, fastening or screwing anything to any vegetation or council property.

Approved Goods

8. Any approved goods must:
 - a. be located wholly within the FTA at all times; and
 - b. only be placed within the FTA during standard operating hours of the business and not before 5:00am or after 12:00am midnight (Noting for footpath Dining please adhere to your Liquor Licensing or Planning Approvals); and
 - c. be removed from the FTA at close of business each day; and
 - d. be adequately secured/stable and must be maintained in a good and substantial state of repair at all times; and
 - e. Not exceed more than 50% of the subject properties frontage.
9. Unless otherwise specified in this permit, the layout of the approved goods within the FTA is at the discretion of the permit holder. It is the responsibility of the permit holder to provide safe open access in line with *Disability Discrimination Act 1992*.
10. Under council local laws, a business can display an A-frame / sandwich board sign. Conditions for signage include:
 - a. a maximum of 1 advertising device per tenancy may be displayed; and
 - b. the sign is placed on the property to which it refers, or where this is not practically possible (ie: building boundary), immediately abutting the property on public land; and
 - c. if located on public land, the sign must be located in a position that does not affect pedestrian access and must not be located within a garden bed, on a beach, dunal area or recreation parkland, unless within a designated permit area; and
 - d. clear pedestrian, wheelchair and pram access must be maintained at all times; and
 - e. it is only displayed when the tenancy is open for business; and
 - f. the sign face area does not exceed 900mm x 600mm or 0.54m² on each side of the advertising device; and
 - g. the advertising device must be structurally sound, stable and not pose a hazard or safety risk to the public.

11. Council will not be held responsible for any loss or damage to the permit holder's goods or equipment. All equipment, chattels and the like, remain the sole responsibility of the permit holder at all times.
12. The activity (approved use of the FTA) must be designed, sited, constructed and maintained to ensure the health and safety of the public by:
 - a. complying with structural standards, specified safety requirements and applicable codes under relevant legislation; and
 - b. exhibiting specified warning notices where required; and
 - c. storing and using hazardous materials in a safe manner (i.e. table cleaning materials & cutlery storage); and
 - d. certifying equipment or things involved in the prescribed activity; and
 - e. adhering to the defined FTA or locations specified in the approval; and
 - f. prohibiting an animal type or species from the prescribed activity where specified in the approval; and
 - g. appropriately training persons engaged in the operation of the business with the associated requirements of an approved FTA permit.

General conditions

13. The amenity of any adjacent residential areas must be respected and the footpath trading use must:
 - a. only be undertaken within the hours specified in the approval or the liquor licencing hours of operations; and
 - b. not cause a nuisance; and
 - c. ensure that the access ways and other areas to which the public hold rights of access to within the FTA, are maintained in a clean, tidy and sanitary condition at all times.
14. The footpath trading activities must be undertaken and operated in a manner that causes no detrimental effect upon the amenity of the neighbourhood by reason of the creation of excessive noise, lighting nuisance or other emissions.
15. There must be no live and/or amplified entertainment at any time within a FTA.
16. A minimum clearance of the following is required, unless otherwise approved in writing by council:
 - a. 1 metre from a doorway; and
 - b. 2 metres from a rubbish bin; and
 - c. 2 metres from a street corner (minimum for line of sight); and
 - d. 1 metre from public furniture; and
 - e. 0.6 metre from a kerb.
17. Council reserves the right to amend, suspend, cancel or revoke this permit at any time.
18. The permit holder must comply with any and all mandatory conditions appearing in council's local laws or subordinate local laws relevant to the FTA and approved use under this permit. The permit holder must comply with all legal requests made by council, including all permit conditions and payment of all required fees and charges by the due date.
19. The permit holder must immediately stop using the permit area, if council, at its absolute discretion, considers there is an imminent risk or danger to public safety. Council may notify the permit holder of the decision in writing or in person and issue a verbal directive to cease using the permit area.
20. A person who is aggrieved by a reviewable decision, may apply to council for a review of the decision. The request for a review must be in writing, state the reasons why the applicant considers the decision should be reviewed and be lodged at the office of council within 14 days after the day on which notice of the decision was given to the applicant.
21. The permit holder must obtain council approval to use any fixed equipment/infrastructure within the FTA. The permit holder must not carry out building work, construction or structural improvements on public land.
22. In accordance with the *Work Health and Safety Act 2011*, a permit holder must:
 - a. act in a manner that does not endanger the health or safety of any person using the land; and

- b. carry out any safety direction that is given to the permit holder by council; and
 - c. not wilfully or recklessly interfere with anything provided in the interests of health and safety at the premises.
23. Any identified or unapproved damages to council assets (i.e: street furniture, lights, bollards, trees, vegetation, hard surfaces/pathways will require remediation to council's satisfaction at the permit holders expense.

Additional conditions for Footpath Dining

- 24. Dining tables are permitted for use within the FTA for dining purposes only and must be wholly contained within the FTA, including occupied chairs.
- 25. The permit holder must provide adequate toilet facilities, including a disabled toilet, which must be open and available at all times, in accordance with council planning conditions.
- 26. Footpath trading must not adversely impact community health or create a nuisance, which will be evidenced by meeting the following requirements. The permit holder must:
 - a. keep the site free of pests and vermin and remove conditions offering harbourage for pests and vermin; and
 - b. ensure, if dogs are acceptable to the permit holder, that they are suitably located so as not to constitute a nuisance.
- 27. The permit holder must hold a current Food Business Licence with council, unless the permit holder is otherwise exempt by the *Food Act 2006*.
- 28. Permitted items must be consistent with identified Noosa design principles, including natural colouring and fit with the amenity of the streetscape.
- 29. Written approval for the use of umbrellas must be sought from council, noting the following applicable conditions:
 - a. Approved removable umbrellas must be a minimum height from the surface to the underside of an umbrella of 2 metres; and
 - b. Approved umbrellas must be of a suitable design to ensure they do not endanger patrons, pedestrians and cyclists, at any time; and
 - c. Umbrellas MUST NOT overhang the area between the FTA and the kerbside; and
 - d. Permanent umbrellas are only allowed when approved by council in writing (see infrastructure requirements).
- 30. Written approval for the use of retractable awnings must be sought from council. The following conditions are applicable:
 - a. Approved awnings must have all required development approvals in place (e.g.) planning, building); and
 - b. Approved awnings must be a minimum height from surface to underside of the awning of 2.4 metres; and
 - c. Approved awnings must be of a suitable design to ensure they do not endanger patrons, pedestrians and cyclists at any time; and
 - d. Awnings must be retracted at the close of business each day.
- 31. Branding of umbrellas, flags or cafe barriers is not allowable under a permit.
- 32. Where a complaint is received by council in respect of noise generated from the FTA, council may require the operator or site management entity to:
 - a. Have a suitably qualified acoustic consultant undertake a Noise Impact Assessment (NIA) in accordance with the *Environmental Protection (Noise) Policy 2008*. The NIA report must be submitted to council for endorsement, which outlines the findings and recommendations of the NIA. The recommendations must be implemented and may include a reduction to the operating hours.
- 33. Council may restrict the hours of use of a permit in order to address noise associated issues or complaints.
