

No Stopping Signage

What does No Stopping mean?

In accordance with the State Law, a driver must not stop on a length of road or in an area to which a 'No Stopping' sign applies. 'No Stopping' signs along a road incorporate all the land area behind the line and in between the signs. The fact that a vehicle may be positioned a distance from the road is irrelevant, e.g. parked off the roadway on the road reserve.

What if I am only stopping for a minute?

There is no timed element to this offence. Once a vehicle is identified as stationary, the offence has been committed. It is important to note that evidence of a vehicle found stationary at a place is proof that the vehicle was parked or stopped at that location.

What if I park my vehicle incorrectly?

Council Parking Officers conduct regular patrols across the Noosa Shire. If you are found breaching parking regulations, you may be issued a Penalty Infringement Notice. Any person who receives an infringement has the right to appeal the infringement. Evidence must be supplied to support any appeal.

Unfortunately, ignorance of these (or any) laws or simply stating you were unaware your actions constituted an offence, is not a lawfully accepted defence.
