

Residential Parking in Noosa Shire

Information for Motorists

Council officers patrol various locations across the region to regulate parking in accordance with State and Local Laws. Council is regularly called upon to help residents when parked or stopped vehicles are restricting local access and traffic flow.

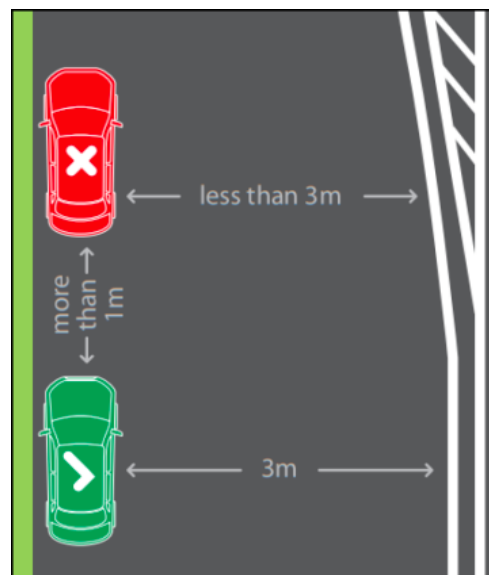

Motorists can park on both sides of the road but must leave at least three metres of clear roadway between their vehicle and other parked vehicles, dividing strips, traffic islands or unbroken dividing lines (see diagram).

A car is always parked next to my house, it never moves, what can be done?

As long as the car is registered and is not parked in a time-limited zone, it can be parked on the street. However, if you believe the vehicle has been abandoned, contact Council and a representative will investigate the matter.

How can I report unlawful parking?

If you are concerned about a vehicle parked unlawfully, please contact Council and a representative will investigate the matter.

*Transport Operations (Road Use Management—Road Rules) Regulation 2009 and
Noosa Shire Council Subordinate Local Law No. 5 (Parking) 2015*
