
Pioneer Park Playground Renewal – Cooran

Project summary

Exciting improvements are coming to Pioneer Park on King Street, Cooran, with playground renewal works set to begin soon.

The project will deliver a refreshed and engaging play space for local families, while maintaining the natural character and charm of the park.

Scope of works

The project will include:

- Removal of the existing large play rotunda (shown below)
- Demolition of the current retaining wall
- Construction of a new retaining wall
- Installation of a new, modern play unit

The existing swing set and smaller play unit will remain.

The upgraded playground will provide a safe and enjoyable play experience, designed to complement the surrounding environment.

Work schedule

Construction is scheduled to commence on **Monday, 15 June**, with completion expected in **July**, weather and site conditions permitting.

During this time, the **entire playground area will be temporarily closed** to ensure community safety.

Works will take place during daytime hours, between **6:30am and 6:30pm**.

What to expect during construction

Council and contractors will make every effort to minimise disruption to the community.

However, you may notice:

- Temporary impacts to some parking spaces and vehicle access
- Traffic management measures in place where required
- Temporary closure of the pedestrian pathway directly to the north and west of the playground
- Some construction noise and dust.

All other park pathways will remain open, with alternative routes available to access park facilities, amenities, and nearby shops.

No trees or mature vegetation will be removed as part of these works.
