

Nandroya Road reconstruction, Cooroy

Digital Doorknock - Nandroya Road, Cooroy (17 September 2026)

Digital Doorknock – Nandroya Road

Noosa Council would like to provide the residents with an update about Nandroya Road, Cooroy.

Changed traffic conditions during construction

As mentioned in previous communications, a section of Nandroya Road will be closed for the duration of construction after investigations found this was the most viable reconstruction option. With no through access, detours will be needed. Residents travelling between Cooroy and Eumundi will be detoured via Eumundi Range Road, Memorial Drive, and the Bruce Highway.

A map illustrating the proposed route and detour details is attached.

Timing of works

Crews were scheduled to be onsite in late September. However, the timing for work starting and the road closure depend on receiving final traffic and environmental approvals, which are still in progress. It is anticipated work will now start in **early to mid-October 2026**.

Keeping the community informed

We appreciate the road closure and construction impacts will be a significant inconvenience for residents and we will continue to keep residents updated via Digital Doorknocks and when out on site.

Before works start we will provide an opportunity to meet the construction contractor by having a drop-in session so any questions can be answered. Variable Message Signs will also be installed so residents and motorists are aware of the upcoming closure date when it is confirmed.

If you have any questions in the meantime, please reach out to the project team.

Yours sincerely,

Disaster Reconstruction Project Team
