Project News

October 2026

Nandroya Road reconstruction, Cooroy

Noosa Council would like to remind residents about the start of works on Nandroya Road, Cooroy. These vital works are needed to strengthen the road and reinstate the slope, which was significantly damaged in early 2025.

Work will begin the week starting Monday, 2 November 2026, and take about four months to complete, weather and site conditions permitting.

Upcoming construction activity

Construction contractor Sunshine Civil Solutions will set up site in the road reserve near 1 Nandroya Road, Cooroy.

Early construction activities will include:

- relocating Telstra cables
- road demolition and excavation
- delivery of new pipes

Changed traffic conditions

We explored a range of construction methodologies, but due to the damage and topography, a road closure is the safest option. The road closure will start on Thursday, 5 November 2026. With through access unavailable, detours will be in place.

Please refer to the detour map for the alternative route between Cooroy and Eumundi.

We acknowledge this project will cause disruptions and travel delays, and we apologise for any inconvenience.

What this means for residents

Property access

The works do not impact any resident's access to their property. A reduced speed limit will be in place on approach to the work site.

Work hours

Construction will generally be completed Monday to Friday, 6.30am-6.30pm. Some work may also take place on Saturdays.

Construction noise

Audible noise can be expected from construction activities and vehicles. Reversing beepers and flashing lights are a safety requirement and will be used during work hours.

Waste collection

We are finalising discussions with Council's waste team to make sure collections continue as scheduled. We will reach out to individual residents if there are any changes to the existing arrangements.

Public transport

Council has kept TransLink and local school bus services up to date about the road closure and the need to change routes using Nandroya Road during this time.

Please contact your service providers about whether the road closure impacts your service.
