

Stormwater Site Report

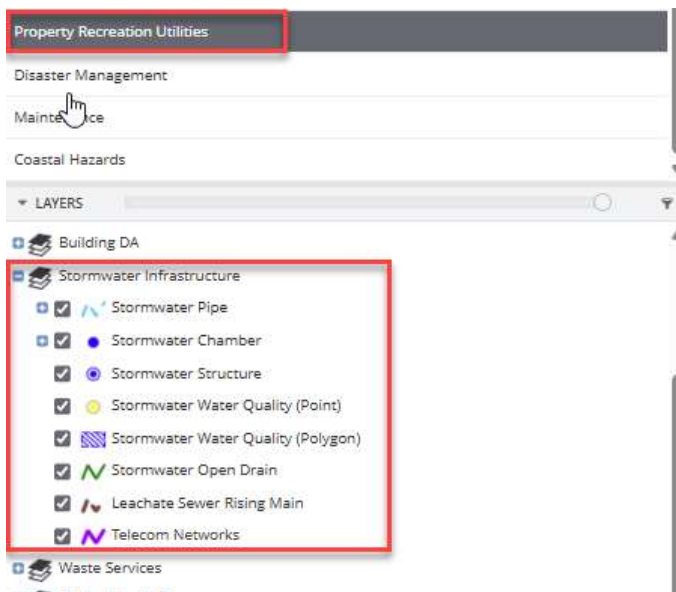

Stormwater Site Report is a tool provided by Noosa Shire Council that gives a detailed summary of stormwater infrastructure information for a specific property or site within the Noosa Shire.

How do I access interactive mapping for Noosa Council?

1. Go to Noosa Council's [website](#)
2. Click on [Interactive Maps](#)

How do I obtain the Site Report associated with a property?

1. Once you have accessed Council's [Interactive Maps](#) page, select the [Stormwater](#) tile
2. Click 'I Accept' on the disclaimer box that appears and 'Continue'
3. Ensure that the module 'Property Recreation Utilities' is selected and the Stormwater layers are selected as below:

4. Click on 'address search' at the bottom of the screen and input the address, then press 'search'. Site information associated with a property is available in the Stormwater Site Report.

To download the Property Reports:

1. Click on the 'Export' button on the top of the screen then on the 'Stormwater Site Report' button

For more information
