## Cooroy, Kauri Street – Asphalt Reseal Works

### Project summary

Contractors will soon commence asphalt reseal works on Kauri Street.

### Duration of work

Work is scheduled to commence on 20<sup>th</sup> January with completion expected by 21<sup>st</sup> January 2026, subject to weather, contractor availability and site conditions.

Any changes or updates to the above timeframes will be published on the Council website. Updates may also be available on VMS boards, if displayed.

The work will be undertaken during the day between the hours of 6.30am and 6.30pm.

### Disruptions to traffic and the public

Every effort will be made to minimise the impact, however road closures are necessary to complete the works, with detours in place to manage traffic flow. Local traffic and residents will still have access, but alternative routes may be required for some areas.

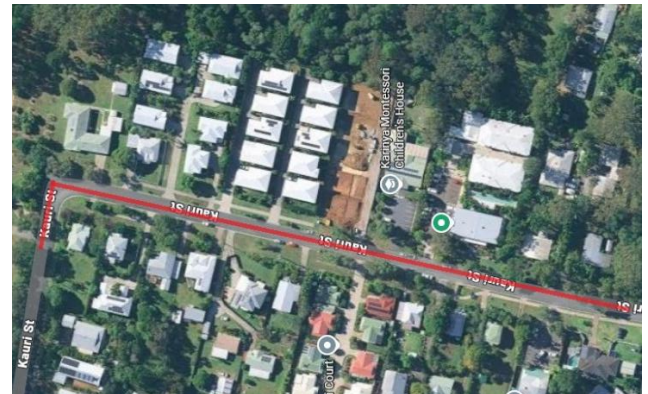

Traffic management measures will be in place throughout the works.

Residents are asked not to park on the street during these times. Vehicles parked in the work area will be towed.
