

Works Notice

Notice issued 24th October 2025

Noosa Heads, Mitti Street - Tree Removal Works

Project summary

Council will soon commence the removal of two *Araucaria cunninghamii* located on Mitti Street. This action is necessary due to the declining health and structural condition of the trees, which has raised concerns regarding public safety.

Duration of work

Work is scheduled to commence on the 7th of November 2025 with completion expected the same day, subject to weather, contractor availability and site conditions.

Any changes or updates to the above timeframes will be published on the Council website. Updates may also be available on VMS boards, if displayed.

The work will be undertaken during the day between the hours of 6.30am and 6.30pm.

Disruptions to traffic and the public

Mitti street will be closed for traffic for the duration of the works.

Every effort will be made to minimise the impact, however road closures are necessary to complete the works, with detours in place to manage traffic flow. Local traffic and residents will still have access, but alternative routes may be required for some areas.

Traffic management measures will be in place throughout the works.

Residents are asked not to park on the street during these times. Vehicles parked in the work area will be towed.

Further information

Please contact Council's Site Supervisor on (07) 5329 6500.

Extent of work area is marked below:

Your patience during this project is appreciated.
