

Works Notice

Notice issued 23rd July 2026

Noosaville, Eumundi Noosa Road – Asphalt Reseal Night Works

Project summary

Contractors will soon commence Asphalt Reseal work on Eumundi Noosa Road.

Resealing works will be undertaken by Allroad Surfaces and managed by Council. Works will occur on both the northbound and southbound lanes (not simultaneously) between Walter Hay Drive and Eenie Creek Road. Traffic detours and signage will be in place.

Duration of work

Work is scheduled to commence on Sunday, 16th August with completion expected by Monday, 17th August 2026, subject to weather, contractor availability and site conditions.

Any changes or updates to the above timeframes will be published on the Council website. Updates may also be available on VMS boards, if displayed.

The work will be undertaken at night between the hours of 6.30pm and 6.30am.

Disruptions to traffic and the public

Every effort will be made to minimise the impact, however partial road closures are necessary to complete the works with detours in place to manage the traffic flow. Local traffic and residents will still have access, but alternative routes may be required.

Traffic management measures will be in place throughout the works.

Vehicles parked in the work area will be towed.

Further information

Please contact Council's Site Supervisor on 0476 689 281.

Extent of work area is marked below:

Your patience during this project is appreciated.
